

March 2019

# The Thurleigh Times

Here we are in March and not long now until the Easter Holidays begin. The children have been working hard on their Spring Term topics and we have also had a variety of successful events which we would like to update you on. This week Parent Consultations are taking place on Wednesday and Thursday, which we look forward to seeing you at. Also this week is 'Mum's in School Day', which is an open invitation for all mums, carers, grandmas, aunties and big sisters to come into school on Friday morning to join in lessons and help out within the classrooms. Sarah Moore

**World Book Day** was a great success. The children's costumes were fabulous and the whole school joined in various activities, including 'paired and shared' story reading across all ages which was a delight to see.

**The Book People Book Bus Visit** was a real success. All the children visited the bus during the day to read/buy books and listen to stories. The bus was then available for parents to visit after school. We were thrilled to learn that the visit had raised £90 worth of books for our school. Thank you to all those who supported this event and we look forward to the next visit from the bus in June.

## Willow Class Assembly

Thank you to all parents of children in Willow Class who came to watch their assembly, followed by a work share. The children performed beautifully and we were so proud of them all. Look out for more class assemblies to follow throughout the year!

**Mrs Dunham's** violin, cello and keyboard assembly will take place on Thursday 21<sup>st</sup> March at 2.30pm in the hall. All parents of children taking music lessons with Mrs Dunham are welcome to attend.

**FOTS Easter Egg-Stravaganza** will take place after school on Monday 1<sup>st</sup> April. There will be a variety of Easter activities taking place in the hall. More details to follow soon.

**Red Nose Day** – thank you to all who supported this event which raised £70.20 for Comic Relief.

**Don't forget** to keep visiting our website [www.thurleighprimary.uk](http://www.thurleighprimary.uk) where you will find all updates and latest news, including newsletters, gallery pictures and calendar events. There are also subject links which we will be adding to regularly and current topic information.
