## Scientific & Technological

### Science

Plants – looking at how plants grow first hand through planting and gardening

- Identify and describe the functions of different parts of flowering plants, and the part they play in the life cycle of flowering plants
- explore the requirements of plants for life and growth and how they vary from plant to plant
- investigate the way in which water is transported within plants

### Design Technology

Food technology – look at Roman/Viking diets and make a simple food from the era .  
Design, Make, Evaluate process – make a working catapult.  
Design and make Roman sandals.

## ICT Opportunities

Each child will receive a personalised session on a weekly basis, during which ICT skills will be developed in line with the National Curriculum for Computing.

We are subscribed to Purple Mash, TTRockstars and Seesaw

ICT is used in lessons to enhance and enrich the learning experience. Research skills used weekly by all pupils.

Programme and Build Robotics Day

Seesaw - used to record documentaries/independent tasks.  
Purple Mash – Research tools and writing frames  
DK Find Out & other research websites linked to topic work
