

September 2023

The Thurleigh Times

Hello everyone,

We hope you all had a lovely summer! How thoughtful of the sun to stick around for the first week back at school!

Welcome back & to the September issue of The Thurleigh Times. We have had such a wonderful start to the term and new academic year already!

A jam-packed first week kicked the year off with Bikeability, Stunning Starts & a Wind Band Performance, as well as all the learning going on in and out of the classrooms!

Our First Week Back

Contact Details & Photo Permission

In a bid to be as eco-friendly as possible, we no longer send out data collection forms at the start of each academic year. Instead we have a form on Weduc that is available all year round if you need to update us with any changes.

You can also contact the school in a number of different ways, including Weduc, email, or phone.

All contact details are available on the website
www.thurleighprimary.uk

When your child starts at Thurleigh Primary School a form regarding photo permission is included in the starter paperwork. If at any point in your child's time with us here you would like to amend these permissions, please get in touch with the office staff and they will be happy to help.

Keep an eye out for information on:
