

January 2024

The Thurleigh Times

Hello everyone,

We hope you all had a lovely break over Christmas & New Year!

Welcome to the January issue of The Thurleigh Times. We have had such a wonderful start to the term already. A jam-packed first week kicked the term off with Stunning Starts to introduce the new topics in each class!

Ash are looking at Ancient Egypt – from hieroglyphics to Pharaohs and mummification!

Chestnuts are immersing themselves in everything Roald Dahl – from snozzcumbers to frobscottle and oompa loompas!

Willows topic this term is “Once Upon a Time” and Oaks are learning all about Magical Dragons, Surprising Spells and Enchanted Forests!

Singing lessons have started up for the children in Chestnuts, who are working towards a performance at Bedford Corn Exchange for this year’s “Sing On!” competition; and Spring Term Clubs begin this week, covering lots of interesting past-times from jewellery making to computer club.

Here’s a snapshot of what we’ve been up to

Contact Details & Photo Permission

In a bid to be as eco-friendly as possible, we no longer send out data collection forms at the start of each academic year. Instead we have a form on Weduc that is available all year round if you need to update us with any changes.

You can also contact the school in a number of different ways, including Weduc, email, or phone.

All contact details are available on the website
www.thurleighprimary.uk

When your child starts at Thurleigh Primary School a form regarding photo permission is included in the starter paperwork. If at any point in your child's time with us here you would like to amend these permissions, please get in touch with the office staff and they will be happy to help.

Keep an eye out for information on:
