

## This is Me! Early Years Autumn Term Homework Activities

You can choose which tasks you would like to do but you must complete **4 pieces of work by the end of term**. Remember, you can **decide** how to display your work. Do feel free to also add your own ideas to the list below.

### Get Mathematical!

Go on a number hunt around your home. Can you take photos of all the different numbers you find?

### Get Collecting!

Go for an Autumn walk. Collect natural objects and talk about what they are and where you found them.

### Get Writing!

Write some simple words such as cat, dog, rat, pet, fish using a phoneme frame. For example

c	a	t
---	---	---

Write your numbers to 10.

### Get Making!

Design and make a pet out of junk modelling. For example: A pet dog, fish, cat or hamster. Bring a model in or upload a photo to seesaw.

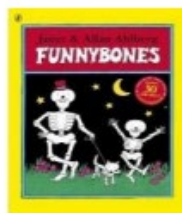

### Get Drawing!

Draw and label a picture of your family.

### Get Reading!

Read a range of books linked to our topic.

- Titch
- The Greatest Pet Sale
- Funny Bones
- Owl Babies
- Leaf Man

Read and say the phase 2 phonics sounds in your child's book bag.

### Get Researching!

Research information about how to keep fit and healthy. What do I need to do?

Look at different animals that hibernate. Can you find out about one animal?

### Get playing and Singing!

Practise these games and songs linked to our topic.  
Head, shoulders, knees and toes.  
I am special  
Simon says....  
I spy with my little eye....
